

Duo
NEW KHARA
BUSINESS RANGE

DUO NEW KHARA

Collaborative space - 2 people

The Smart pod Duo New Khara is the perfect solution for informal meetings and private work sessions. With its clean, modern design and three sophisticated colors - white, black and wood, this Smart pod is the perfect combination of style and functionality.

This range features the optional ARS® (Air Cooling System) to help cool the temperature inside the pod by up to 3 degrees.

The compact and mobile Duo smart pod.

COMPONENT'S CERTIFICATIONS

Screen 23,6" (Option)
 1 central screen
 or 2 side screens

Dimmer
 Light and ventilation

A 5-speed dimmer switch for light and ventilation is mounted on the central column, allowing you to adjust the intensity of each piece of equipment as you wish. By default, smart pods are equipped with light, ventilation and connectors. They are activated when a person enters the smart pod.

The air inside the smart pod is fully regenerated every minute (intensity adjustable with the dimmer) When the smart pod is no longer occupied, it will remain on and continue to ventilate for 3 minutes to ensure that the air is fully regenerated for the next use. Once these 3 minutes have elapsed, the light and ventilation switch off automatically.

Of course, the smart pod can be occupied directly after the last use without waiting the 3 minutes.

In a DUO smart pod, the recommended time of use is estimated at 1h - 1h30.

Connectivity:
 1 x 110v + USB A + USB C
 Option: 1 x HDMI + 1 X RJ45

****Disponibile acoustics back, semi-glass back or full glass back

Fan Airflow -----48,17 m³/h

INNOVATION AND LUXURY | OPTION

WOOD - BRUT CP

The structure of our smart pods is made of birch plywood. This type of plywood is produced from 100% birch wood, obtained by gluing adjacent layers together with crossed, right-angled wires of high quality and durability. It offers a number of advantages, including durability, wear resistance and resistance to more aggressive environments.

ACOUSTICS AND DESIGN

"CUBIC BY GABRIEL" is an embossed fabric. It features an elegant embossed pattern with a distinctive, youthful touch and a soft, luxurious feel.

- Embossed fabric with foam backing
- Flammability certification: flame retardant - EN 10211
- 3D pattern
- Soft and voluminous
- Superior comfort
- Durable and resistant- Acoustic

OTHER SIDES OPTION - SIDES

Pet acoustic:

Composition: 100% recycled PET, made from post-consumer recycled plastic bottles.

Cork & recycled rubber:

Made from recycled rubber and granulated cork. An excellent solution for acoustics.

100% natural cork:

100% natural, reusable and recyclable, an excellent solution for acoustics.
